### **MILESTONES TO DATE**

- Parihaka Masterplan approved 2014
- Parihaka Working Party Established 2014
- Kawe Tutaki Established 2015
- Parihaka Whakamua Pumou Report July 2015
- Report of Te Kawe Tutaki 31 July 2015
- Cabinet approval of Report of Te Kawe Tutaki and Compact of Trust 25 April 2016
- Signing of Compact of Trust 22 May 2016

In 2014, the Parihaka Working Party was established with representatives from the three marae, Parihaka Papakāinga Trust and Tōpū Tikanga.

In early 2015, as a result of discussions between the Attorney General, the Rt Hon Christopher Finlayson, Taranaki Iwi and Parihaka, Kawe Tutaki was established to formulate an approach to assist Parihaka to build its capacity and achieve its aspirations.

This culminated firstly in a Report by Dr Mihi Ratima, *Parihaka Whakamua Parihaka Pumou* a needs analysis for Parihaka. This Report formed the basis of the *Report of Te Kawe Tutaki*. This report was endorsed by the Parihaka community on 19 July 2015. It was then submitted to Ministers Hon. Chris Finlayson and the Hon Te Ururoa Flavell on 31 July 2015.

Critical to the Report of Te Kawe Tutaki was the recommendation that Parihaka utilise the example of Tuhoe who developed a Compact of Trust to enable their engagement with the Crown to progress and be finalised.

Representatives of Parihaka attended a meeting in early September 2015 at Taneatua with Tuhoe representatives to explore the idea of a Compact of Trust further.

The Compact of Trust between Parihaka and the Crown was drafted and taken to the 18ths and 19ths from October 2015 to February 2016 the month when the Crown officials were expected to attend Parihaka for a signing

ceremony. Cabinet put the approval of the signing on hold until they understood the full extent of Kawe Tutaki's Report and recommendations. In this intervening period the Parihaka community were made aware of the reasons for the delays and were kept informed. Cabinet subsequently approved the Compact of Trust and Kawe Tutaki's recommendations on ANZAC Day 25 April 2016 and the signing took place at Te Niho o Te Atiawa on Sunday 22 May 2016.

## **CURRENT RECONCILIATION WORK PROGRAMME – ASSESSMENT, ASPIRATIONS AND DEVELOPMENT OF CROWN SUPPORT PACKAGE**

### **Assessment Phase**

Further to our previous Report infrastructure and cultural development assessments are near completion. They will help to determine what Parihaka requires to develop into the future. The assessments provide a good foundation of information for future planning and resourcing.

The Masterplan hui held on the 27 August 2016 at Te Niho provided in depth information on the infrastructure assessments and it was heartening to see the level of engagement the Papakainga had with Rau Hoskins of Design Tribe who has worked on the Masterplan for 20 years.

### **Aspirations**

At the hui of 27 August those in attendance participated in an aspirations waananga, this built on the many hui over the years on this kaupapa. Below is a brief summary of the Puawai Aspirations Framework which we will eventually build into a Strategic Plan. Further to our previous Report we have also listed an example of where key projects would align with aspirations, this is not an exhaustive list but just to provide an example.

Papakainga Trustees have been working intensively since our AGM with the Office of Treaty Settlements officials. Minister Finlayson wrote to the Papakainga Trust on 13 July 2016 and set out some parameters for the Crown Support Package, they are:

1. Assistance from government agencies with Parihaka development projects, including assistance with applications for contestable funding;
2. Improvement to the delivery of services to the Parihaka community;
3. Funding for high priority projects where funding cannot be found from existing sources.

Further to our previous Report the assessment phase is near completion and then the Crown will start to provide some detail of what a Crown Support Package may entail. At our hui on 30 October we will Report back on this further detail. We are pleased today to talk about the main elements of the package and they are:

2. Deed of Reconciliation – A document to commit the Crown to Parihaka

  - Apology
  - Relationship Agreement with Agencies and Local Authorities
  - Consultative Council
  - Funding for Projects
3. Legislation – Will mirror the Deed of Reconciliation to make it law
4. Land Acquisition – A high priority for both Parihaka and the Crown
